HONGRONG, DECEMBER 10rn, 1869. It is understood that a scheme will short! he laid before the Chamber of Commerce FIRES SLIP is now available for Docking with reference to Baron BICHTOFER'S expe-Sufficient, however, is known of its general Proprietors, bearing to enable its main features to be placed before the public. It appears that a gentleman in this Colony has expressed him- brought up charged by P.O. Charles Wabb, self willing either by himself or with one or two with having been found lying asleep in the SHIPOWNERS, AGENTS, and COM. Self willing either by Minself of Wildeller, upper verandah of No. 5 Police Station. The MANDERS are informed that the Door colleagues, to accompany Baron Richtopen, defendant, having plended destibution, and con-COMPANY'S ESTABLISHMENTS at the above should he be willing to consent to the plan; Port afford every facility, at moderate charges, and if io, is desirous of offering his services sent to prison for fourteen days, with hard REPAIRING AND SPARRING VESSELS. to the Chamber of Commerce, to act as one of

their commercial delegates, and to obtain de-Chesa-yow, of Smion, horse coulis to Mi tailed information as to the trading capabi- H. W. Davie, at Wanchai, was charged by his master with repeated neglect of duty. On the lities of the districts through which Beron RICHTOFEN will pass. An erroneous impression the leave, and left the horses upground and the same subject, says Has 286 feet length on the blocks, and at sion seems to have got about with respect to unfed, obliging his master to perform stable average spring tides can receive Vessels of 16 to this subject that it is desirable to correct. duty. Defendant stated that he had left be-17 feet draught. It has a cause his master threatened to out him a dollar, CAISSON GATE, AND POWERBUL ORNTRIFUGAL Baron RICHTOPEN does not proceed under the and in his view of the matter he had not done auspices of the Shanghai Chamber of Com- anything on account of which he might be out. merce; but, as stated in the paragraph on Complainant hereupon said, that he did not wish the defendant to be severely punished, but Foundries. Boiler makers shop, a large Smithy, the subject, which appeared in this paper on it was most annoying to find his horses negand Carpenters' and Bont-builders' sheds. All the second instant, "as Baron Richtopen, lected, Fined in a mitigated penalty of \$3, or clamoured and drowned his objections. A letter could not undertake the journey without fourteen days imprisonment. Loung a-tai, living in Wing-on-lane, a coolie.

Chamber of Commerce giving Tls. 500." This waiting for employment near Mesers. John information, which came from a private correspondent, seems to have been somehow mixed up with the Shanghai Chamber of Commerce Report, and the idea formed that that body were the exclusive furtherers of Baron Rich. TOPEN's scheme, whereas it was really assessed by the whole community, the Chamber only subscribing Tls. 500 out of Tls. 6,000. This THE above granite floored DOCK, of the subscribing Tis. 500 out of Tis. 6,000. I following Demonsions, viz. Length, 300 fact is pointed out as it is only fair that general community at Shanghai should have state of the Tides will allow. The Dock runs the credit that is due to them, and it is well

to carry through his plans in his own way.

highly satisfactory results.

should be equally insulted by the Viveroy.

THIS SLIP is now available for docking that he does not make any objection, the plan seems to be one which it is to be hoped was oburged and convicted upon the evidence the Chamber will accede to.

The Chamber will accede to.

As in Sbanghaf, it need not be recessary for them to pay the whole of them to pay the whole of the expenses.

The Chamber will accede to the Chamber will accede the Cha The SLIP has been most substantially constructed, in a perfectly land locked and secure to which the general community the times to get the most was in error in stating that the copper. He was thrown down three times, and the copper of the was thrown down three times.

> DEATH OF AN ACTOR FROM CHLOROFORM.

shall not love you tees." In another latter, written the day after Lady Byron left London On 15th October, Mr. Langham, the demitycoroner, held on inquest at Charing cross it is my great comfort that you are in Piclospital, on the body of Mr. Charles Verner. aged 30, an actor of some repute, long connected with the London theatres, who died on the Monmy previous in the hospital, while under the innence of chloroform, administered preparatory his mulergoing a surgical operation. Mrs. Eli: abath Varner, of Queen Margaret'a-grove, Btoke Nowington said the deceased was her husband, and by profession an notor. He had been an in patient of the hospital for the last three months, labouring and ra disease of the juw. His sufferings were of the most noute character, It was at the joint request of heraalf and the deceased that the operation was to be performed. The medical gentlemen of the hospital bad informed both berself and the deceased that the operation might offord a chance of saving Ludy Byron could at first account for her her husband's life; but it was only a faint chance See was aware that chloro-Commissioner Ma is reported to have taken to be administrated to that chlorophase and to have been extremely unables operation; and neither lieraelf nor her hustactory, owing to great rudeness and disband would have allowed the operation to factory, owing to great rudeness and dis-band would have allowed the operation to courtesy on the Chinese side. The British be performed without it. They were unde fully Minister was kept waiting for nearly ton nearly ton aware of the danger attending the operation, the sufferings of deceased were so great. All and the Viceroy's manner is described as that had been done was with the full consent blustering and loud: On complaint being of the deceased, and also with her consent. Mr. made, the Videroy protested that no Edwin Canton, M.B. C.S. and surgoon to the hospital, said the deceased bad been under his care for acveral weeks past, suffering from a malignant disease of the upper jawbone. It was a disease likely to prove fatal, and from the progress made by the disease, the death of formed, with the very faint hope of a cure, at the

he deceased must have occurred in a few weeks. He auggested that an operation should be persame time informing the deceased and his wife of the great danger attending it, but they replied they should wish it to be performed at all risks. The witness here handed in a paper to the coroner, which he stated was in the handwriting of the deceased and in which was written, Lady Sale, the property of Mr. Benjamin Kent, L. Charles Verner, give my free consect to the operation upon me being performed by Mr. started about noon with something like 30 pas-Canton, and will bear all the rishs." Witness resumed -He had previously informed the deceased and his wife that prior to the operation being performed; chloreform would have to be administered; and they replied that was what they understood and wished. The ahloroform used in the bospital was what is called bi-chloride of diluted with air to make it less powerful, Every care had been taken to prepare the deceased for the operation. The oblereform was administered panic, but the master and his crew behaved a large copper of boiling water. The man in in his presence, and that of several of his colleation of lister, who first knocked him down, and then, gues, by Mr. Peter Marshall, the regular chloroformiet of the hospital, and was skilfully and

CASTOLIA TRANSPOLICIA DE LA CASTA DE L	
We cannot, in leed, set up the fop as a model- for womankind to follow, but we respectfully submit to them that the uttermost modile of	1
the one sex is cuided by something like a theory. and decided by a describable motive as to the	Wal
cut of his coator the elench of his het; where is	Ped
dress only with a view of being dressed tike	tf
tume, or, rather, with such an ulter absence of	•
we meet; and, as matters go, it is an immense relief to be able to make such an admission.	T
For anything her dress can be assumed to prove to the continuy, "the girl of the period" may	Roa Mo
have a modicum of common sense, and some relics of her natural modesty. She is but one	
in a flock of silly sheep, and her worst fault is that when a cry of danger is rused, she has no	
eyes and no cars but for her fellow sheep, and only escapes disgrace and destruction when, by	T
chance, the bell-ewe takes a safe road. It is just now a matter for special congratu-	Inu
Intion that the dress of a female affords no cine to the notual shape, temper, or babits of the	-11
woman inside it. Could we venture to organd costnine as significant, what must be our	A
judgment of the ladies who go mineing up, and down our streets dressed, within an inch or	of Offi
or what conclusion could we arrive at as to their moral, mental, and physical condition, if: we	2
were warranted interpreting the symbolism of honnets, corsets, vests, jupous, and boots? We	T
gaze at the head-piece, which is the supper	Wn
odour, of a Stilton cheese—what hollowness and rottoness might we not predicate of a head	t
affected the figure of a tortoise with its head	-
out, or of a small headed beetle, having a tiny little bust stuck plump on a crimoline that had the form of a multhouse cowl; but now their	wit
appearance is that of an ill-filled sausage, so, tightly tied in the middle that the lower end	Ва
has burst out in picturesque raggedness; and the bestie has given place to the wasp as the	t
dressmaker's live model, Approaching the subject of our speculation from behind, we are	100
numewhat taken aback by the discovery or unministrakable cont-laps; and this may possibly	130
we occasionally hear such alarming accounts.	7
But a side view, or a front view, instantly rese- gures us; for it reveals a fully which no	1
member of the male sex ever ventured to perpetrate, unless be was victously effectivate. It is woman all over to initiate, and persist in.	N
slow self-marder. Has she any sense left; had	Ap
onsistent she would turn up her nose in disusing the the statue which enchants the world, "and	1
denounce as a dowdy the Venus de Medici. Heing inconsistent, she admires and foreskes	1.2. 1.2.
the sundard of Nature, while she dreads and adopts the standard of Fashion. It would certainly be a very implement thing to speak about	N
viscora and livers in polite circles; but we can- not help thinking about them in their painful	1
imprisonment, however strait heed stiquette	1
tion about them. We know that these organa are diseased as well as deformed, and we could	cit
as soon write sonnets to the pitting of the small-	
spine as effer either compliment or, apology in connection with such hideous distortion as now	25
prevails. Is the mind as engalaly as the figure. and the templer as waspish as the waist? But we forget: we have surrendered the right to	
draw any conclusions at all from the outer to the inner woman. We started with a disavowal	14
of the practicability of judging the kernel, or even the shell, from the hosk. So that if we	1
lower our critical gaze from the bonnet which	an
too apparent, we shall not be at liberty to	Lo
of the days of Louis the Grand, or that she is Mother Hunch, or Mother Redosp, or the ve- nerable: Mother Hubberd herself in proprie	and
persond. The inference is almost irresistible, it is time: but the right to draw such inferences	Pr
involves, as we have seen, the maidenly reputa-	pa
know in what "glass of fashion" the experi-	14.75
